Lab Policies:

• The George Mason University Honor Code applies to all aspects of ECE 220.
• Attendance at all labs is mandatory.
• Each student is required to do the advance preparation before coming to the lab.
• There will be no group work; each student is required to complete all the projects individually.
• Lab reports are due every Thursday and must be submitted by each student in print at the beginning of the lab period.
• Late submission of a report (within 1 week) will reduce its grade by 15%.
• Lab reports must be legible including your Matlab code, plots, analytical work and answer to any question asked in the experiment.
• Instructors may ask you to submit your working Matlab scripts (M-files) electronically for each project.
Lab Grading:

If you have completed the entire ECE 220 lab projects, your lab grade will be determined as follows:

- Participation & Attendance: 20%
- Project Reports: 30%
- Midterm Exam: 25%
- Final Exam: 25%
