ECE 465 – Computer Networking Protocols
Department of Electrical and Computer Engineering
George Mason University
Spring 2016

Class meetings: Tuesdays and Thursdays, 1:30 – 2:45 pm
Blue Ridge Hall, Room 129

Instructor: Brian L. Mark
Nguyen Engineering Building, Room 3803
phone: 703-993-4069 email: bmark [at] gmu.edu
web: http://ece.gmu.edu/~bmark
office hours: Wednesdays, 1:30 – 3:30 pm

Teaching Assistant: Cong Chen
office hours: Tuesdays and Wednesdays, 3 - 5 pm in ENGR 3204

Course Description: This course covers the basic principles of computer network protocols and architectures from the application layer down to the network layer, with a focus on Internet protocols. Students will gain an understanding of the inner workings of the Internet. Topics in multimedia networking and network security will be covered.

Course website: http://blackboard.gmu.edu

- Log into Blackboard using your GMU email account credentials.
- Assignments, solutions, announcements, and other course materials will be posted on Blackboard.

Required textbook:

  - One copy of the text is on reserve at Gateway Library inside the Johnson Center Library. It may be borrowed for 2 hours at a time. To borrow the book, students will need this call number: TK5105.875.157 K88 2013.

Prerequisites: C or higher in (STAT 346 or STAT 344) and (CS 222 or CS 211).

- The course includes programming projects, which will be done in groups of two, that require basic knowledge of the Python and C programming languages.

Grading:

- Quizzes = 5%, Homework= 5%, Labs = 10%, Programming Assignments = 20%
- Midterm Exam = 25%, Final Exam = 35%.
Course topics:

- Computer Networks and the Internet (2 weeks)
  - Overview of networking concepts
- Application Layer (3 weeks)
  - Principles of network applications
  - The Web and HTTP
  - Domain Name Service
  - File transfer and FTP, Electronic Mail
  - Peer-to-peer applications
  - Socket programming
- Transport Layer (3 weeks)
  - Transport layer services
  - Connectionless transport: UDP; Connection-oriented transport: TCP
  - Reliable data transfer
  - Congestion and flow control
- Network Layer (2 weeks)
  - Internet Protocol (IP)
  - Routing Protocols
- Multimedia Networking (2 weeks)
  - Multimedia networking applications
  - Streaming stored video
  - Voice-over-IP
- Security in Computer Networks (2 weeks)
  - Principles of cryptography
  - Message integrity; Digital signatures
  - Securing E-mail; Securing TCP connections: SSL
  - Network-layer security: IPsec and virtual private networks

Quizzes and Homework Assignments

- Pop quizzes will be given and graded.
- Homework problems will be assigned weekly.
- Sample solutions to quizzes and homework assignments will be posted on Blackboard.

WireShark Labs and Programming Projects:

- WireShark Lab exercises will be assigned and should be done in groups of two students.
- Programming Projects will be assigned and should be done in groups of two students.

Midterm Exam: Thursday, Mar. 3, 2016 (in-class).

Final Exam: Tuesday, May 10, 2016: 12 - 2 pm.
Student disability: If you are a student with a disability and you need academic accommodations, please see me and contact the Office of Disability Services (ODS) at 703.993.2474. All academic accommodations must be arranged through that office. Students must inform the instructor at the beginning of the semester, and the specific accommodation will be arranged through ODS.

Academic Integrity: GMU is an Honor Code university. Please see the University Catalog for a full description of the code and the honor committee process.

Honor Code: To promote a stronger sense of mutual responsibility, respect, trust, and fairness among all members of the George Mason University community and with the desire for greater academic and personal achievement, we, the student members of the university community, have set forth this honor code: Student members of the George Mason University community pledge not to cheat, plagiarize, steal, or lie in matters related to academic work.

CAPS: Counseling and Psychological Services
Counseling and Psychological Services (CAPS) provides a wide range of free confidential services to students, faculty, and staff. Services are provided by a staff of professional clinical psychologists, social workers, counselors, learning specialists, and psychiatric providers. CAPS individual and group counseling, workshops, and outreach programs are designed to enhance students’ personal experience and academic performance. Visit us at caps.gmu.edu for additional resources.
- For consultation or emergency assistance during office hours call 703-993-2380.
- For assistance during non-office hours, call University Police at 703-993-4357.
- 703-527-4077 (CrisisLink)
- 1-800-273-8255 (National Suicide Prevention Lifeline)
- 1-877-838-2838 (Veterans' Crisis Hotline)

Student Health Services (SHS) — Provides confidential health care to enrolled students in emergency and non-emergency circumstances on the Fairfax, Arlington and Prince William campuses. If there is a medical emergency and Student Health Services (SHS) is closed, please contact the free after-hours nurse ((703) 993-2831), a hospital emergency room, an urgent care facility, or call 911.
